

We recently wrapped up a Sermon Series, The Bible: Book by Book. This was a series where we had one message from each book of the Bible to show what God was teaching us in that book and how it contributed to the larger story of scripture. It took over five years to finish this series. Now we are inviting you to go back and re-read each of the Bible passages in order to refresh yourself on the overall scope of the Bible. For each Sunday of this reading plan, we are going to pause and reflect on the Lord's Prayer.

This will align with the current series on the Lord's Prayer for the season of Lent.

Each Sunday pray through the Lord's Prayer, slowly reflecting on the beauty and depth of each line.
